## CDEL in the Community: "You're always here."

*Image Description: CDEL Client Daisy (left) and CDEL Executive Director Caroline Manley (Right) at a recent CDEL Signing Event. in the Auburn Gresham Neighborhood*

CDEL Executive Director Caroline Manley first met Daisy in 2013 while helping her with Power of Attorney documents. Over the years, Caroline has met with Daisy on over five separate occasions to assist her with various legal issues and make modifications to her plans.

Caroline once again had the opportunity to help serve her legal needs at a signing event at New Pisgah Homes in the Auburn Gresham Neighborhood in late July.

“After so many months of being separated physically from our clients, seeing Daisy felt like reuniting with a friend. She just turned 90 a few weeks ago and revealed that her secret to a long life is a glass of wine each night. Reconnecting with her, and the senior living community where she resides, felt great.” – Caroline Manley

## Former CDEL Staff and Intern Reflect on their Work at CDEL

We are incredibly grateful for the staff and interns that come through CDEL. They bring their own perspectives and experiences to their work. Read below as CDEL's former Project Assistant shares her parting thoughts; and a former intern is interviewed about his time at CDEL.

*Image Description: Former CDEL Intern and Project Assistant Delaney Battle.*

Delaney Battle joined CDEL in the summer of 2019 as a Summer Intern during her senior year of school. In August 2020, she rejoined CDEL as a Project Assistant. Her work has been integral in keeping CDEL moving. She will be attending law school this fall and we wish her all the best!

Delaney had this to say about CDEL: "It has been such a pleasure to work at CDEL during a time in which its work and mission has never been more important! I am grateful for the support of CDEL's wonderful staff and volunteers, all of whom are committed to serving and benefiting their communities."

Recently, former law school intern Rob Clark (University of Chicago), gave an interview about his "incredibly diverse internship" at CDEL.

Rob had this to say about the clients he worked with at CDEL: "The clients are always so thankful and appreciative of the effort we put in, it really means a lot to them."
